

Glory Reborn Organization

Glory Reborn Organization is a registered 501(c)(3) non-profit organization which seeks to provide maternal care services throughout the world. Currently we fully support a subsidiary organization that operates a free maternity clinic in Cebu City, Philippines. It was founded in September 2003, and in that time it has provided free maternal care to thousands of patients, delivered nearly 2,000 healthy babies, and provided a professional and safe environment for the women of Cebu to receive proper healthcare during pregnancy from our competent staff of licensed health care professionals.

Cebu City

Located in the heart of the Philippine Islands, Metro Cebu City is home to over 2 million people. It is the second largest city in the Philippines. There is only **one** public hospital to serve the entire city! If you cannot afford a private hospital, you have to wait at the public hospital, where if you cannot afford the medication or services, you will not be cared for. The government spends a mere 1.4% of GDP on public healthcare. (The US spends 6.8%, Australia: 6.4%)

Philippine Statistics

- * 46% of the population live on less than \$2 per day
- * For the poorest 20% of the population only 21% of births are attended by a skilled health care professional
- * 200 out of 100,000 mothers will die delivering their baby.
- * For the poorest 20%, the infant mortality rate is 49 per 1,000 live births

Get to Know Us

We would love to hear from you, and there are opportunities for partnership, collaboration, and trips to visit our clinic.

The People Behind It

Glory Reborn Organization is the vision of Hilary Overton, in which pregnant women worldwide are given quality medical care, treatment and services that empower their lives to have a safe delivery, a healthy baby, and a hopeful future! After receiving her midwifery training and license from the National College of Midwifery, Hilary felt compelled to found Glory Reborn. With an ever-expanding vision and hope for the future, Hilary is forging ahead with Glory Reborn and for maternity care worldwide.

Aligning with our vision, Glory Reborn has found the highest quality Labor & Delivery staff available. The entire staff are licensed midwives and nurses, who have shown dedication in updating their practices to international standards. Beyond that each of them have shown a willingness to serve their own people by showing kindness to every women under our care. We also have two consulting physicians who oversee our practices and handle high-risk cases.

Our Hope

In just six years Glory Reborn has delivered nearly 2,000 healthy babies, given quality medical care to countless more and has created a community that fosters hope in a nation where poverty still determines the future of thousands of lives. Glory Reborn is making a difference, but we need your help!

Our Care

In the midst of poverty, Glory Reborn has established a clinic that provides high quality medical care regardless of social status, economic capacity, or any other factor. We firmly believe "That where you live should not decide whether you live or whether you die." (-Bono, U2)

Partner With Us

FINANCIAL DONORS

Glory Reborn strives to provide high quality medical care at no cost in the communities that we serve. This would not be possible without financial donors who are able to commit to the vision.

MEDICAL DONATIONS

Glory Reborn is currently seeking donations of medications and medical equipment to improve the quality of care that we provide.

VOLUNTEER ON SITE

You can make a difference in lives and see first-hand what Glory Reborn is doing in the Philippines.

OUR BUDGET

In 2010, we will operate on a budget of approximately \$135,000, which will deliver between 360-480 healthy babies, care for hundreds of women, and provide hope in a impoverished community! It costs less than \$300 per baby born at Glory Reborn, of which 98% of every dollar goes directly to our maternity care program!
